

Day 1: Thank you for this church!

- 1. What are 3 of your favorite things about Flatirons?**

- 2. Take a minute right now and tell Jesus how much you love this church. Thank Him for your leaders and this place!**

- 3. Make an invitation this week and give it to a friend. Invite them to come to this awesome place!**

Day 1: Wrap up

Having a place like flatirons is so great! We can learn about Jesus, feel safe, have fun and hang out with our friends here. What's your favorite thing about flatirons? Write Jesus a letter and tell him what you love about this place and why you love it so much.

Day 2: God, we need your help!

- 1. Sometimes we try to do things all on our own without including God. When we do that it really can make life hard. God wants to be a part of EVERYTHING that you are a part of. What parts of your life must God be a part of every single day? Write those things down**

- 2. Now talk to God and tell him you must have him in your life. Invite him into those things starting today**

- 3. We can't build a new building without God, it would be impossible. Will you pray for God to help us with our new building? Tell him we can't do it without his help. Things you can pray for:**

- how you can help in raising money
- safety in building the building
- every person at Flatirons helping
- lots of new friends to come and learn about Jesus.

Day 2: Wrap-up

The bible says, "If God doesn't build the house, the builders only build shacks." (Psalm 127:1-2) That means that if God is not the one who is building this new building, it won't really be anything at all! We need God to help with this and we need Him to live in the church. Why do you want God to be a part of this? Write about it.

Day 3: Thank You, God!

1. What is the most exciting thing you have ever done?

2. Why were you thankful for getting the chance to do whatever you thought of in Question #1?

3. Draw a picture of you being super excited about getting to do “that thing” with God.

Day 3: Wrap-up

I love it when God let’s me be a part of really exciting things! God is getting ready to do something so amazing here at flatirons and He is letting us be a part of it. Are you thankful that you get to help make a place for your friends to come to and learn about Jesus? Why? Write about it.

Day 4: What do I need from God?

- 1. What are you most excited about for our new building?**

- 2. Why do you think it might be hard to share our stuff?**

- 3. Draw a picture of you asking God for his help in building a new place and inviting friends.**

Day 4: Wrap-up

In order to build a new place for our friends we are all going to have to share. Sometimes sharing is really hard. It helps to remember that everything that we have actually came from God. We get to share what God gave us with others. What has God given you to share? Write about this.

Day 5: How can I help?

4. What 3 people do you want to come to the new building? Write their names down

5. How do you think you can help with our new building?

6. Draw a picture of you and your friends playing in the new building for the first time!

Day 5: Wrap-up

Building a new place and inviting all of our friends is a big job. We can't do it on our own, can we? Guess what, we don't have to do it by ourselves. We can work with God! If we let Him, God will let us help Him make this happen. How do you think you can help God with this huge project? Write about it.
