Want to be in the Know?

For age-specific events or programs, please stop by the Information Center in the Lobby or visit us online at flatironschurch.com. Our website is a great place to find detailed information about upcoming events, opportunities and support along with tools to help you build a deeper relationship with Christ and with new friends.

What You are about to Experience

At flatirons we teach Biblical truths to help people find a better way to do life with Jesus Christ. Wherever you are in your spiritual journey, our desire is for you to experience the love God has for you.

Did you come with kids? | The room you have entered is designed for adults (Middle School and older). Children, 5th grade and younger, will be much more comfortable in our Kids Ministry which is designed just for them! There, your child will engage in age-appropriate teaching, games, music and more. You can check your child in for a Kids Ministry classroom at the check-in kiosks located in the Lobby. **If needed, there is a room located by the north stairs in the Lobby for parents with infants. As space is limited, please do not bring your entire family into this room.** If you have further questions, please stop by the Summit Info window in the Lobby today.

Volume | If you find the music too loud, please visit the Information Center in the Lobby for ear plugs. Ear plugs are also available at the Auditorium doors.

Offering | Jesus taught that one of the ways we worship God is by giving our lives away... our time... our talent... and our treasure. Each week we receive an offering. Every dollar given here at flatirons goes directly to fund our mission to bring the awesome love of Christ to those in our community and our world. Those of us who consider flatirons our church home give with a generous and joyful heart to support this mission and the ministries of the church. Offering buckets are available at Auditorium doors at the conclusion of each service.

Communion | For nearly 2000 years, followers of Jesus have used bread and wine/juice as symbols to remember that Jesus gave his own body and blood to pay for all of our mistakes and shortcomings. At flatirons, we frequently participate in communion together. On weekends that communion is not offered as part of our service, communion bread and wine (juice) may be found on tables at the rear of the auditorium. You are welcome to visit one of these tables anytime during today's service.

Prayer Requests | Prayer request cards are located at the communion tables. The flatirons Prayer Team would love to pray for your request or you can submit a request online at flatironschurch.com/shift

BRIX | Building Relationships in Christ. For updates, resources and info regarding our new building, visit the Information Center in the Lobby or check out flatironschurch.com/brix

Animals in Auditorium | We welcome certified service animals into our facility. **However, we ask that you keep all other pets at home.**

Distractions | To allow you and those around you to be more fully engaged in today's service, please turn off or mute all cell phones. Please use the Lobby area for any necessary conversations.

Sign Language Interpretation | Available at the front left section of the Auditorium at the Saturday 5:00pm service and Sunday 9:00am service. Interpreters are also available for most events and workshops upon request. Contact signlanguage@flatironschurch.com
