What you are about to experience

At flatirons we teach Biblical truths to help people find a better way to do life with Jesus Christ. Wherever you are in your spiritual journey, our desire is for you to experience the love God has for you.

Did you come with kids? | The room you have entered is designed for adults (Middle School and older). Children, 4th grade and younger, will be much more comfortable in our Children's Ministry which is designed just for them! There, your child will engage in age-appropriate teaching, games, music and more. You can check your child in for a Children's Ministry classroom at any of the touchscreen computers located in the Lobby. ReMix, designed specifically for 5th graders, meets at the Student Center each weekend on Saturday at 5:00pm and Sunday at 10:30am. **If needed, there is an area in the Lobby for parents with children 12 months and younger.** If you have further questions, please stop by the Children's Ministry Kiosk in the Lobby today.

Volume | If you find the music too loud, please visit the Information Center in the Lobby for ear plugs. Ear plugs are also available at the Auditorium doors.

Offering | Jesus taught that one of the ways we worship God is by giving our lives away... our time... our talent... and our treasure. Each week we receive an offering. Every dollar given here at flatirons goes directly to fund our mission to bring the awesome love of Christ to those in our community and our world. Those of us who consider flatirons our church home give with a generous and joyful heart to support this mission and the ministries of the church. Offering buckets are available at auditorium doors at the conclusion of each service.

Communion | For nearly 2000 years, followers of Jesus have used bread and wine/juice as symbols to remember that Jesus gave his own body and blood to pay for all of our mistakes and shortcomings. At flatirons, we frequently participate in communion together. On weekends that communion is not offered as part of our service, communion bread and wine (juice) may be found on tables at the rear of the auditorium. You are welcome to visit one of these tables anytime during today's service.

Prayer Requests | Prayer request cards are located at the communion tables. The flatirons Prayer Team would love to pray for your request or you can submit a request online at flatironschurch.com

BRiX | Building Relationships in Christ. For updates, resources, and info regarding our new building, visit the Info Center in the Lobby or check out flatironschurch.com/brix

Animals in Auditorium | We welcome certified service animals into our facility. **However, we ask that you keep all other pets at home.**

Distractions | To allow you and those around you to be more fully engaged in today's service, please turn off or mute all cell phones, pagers and beepers. Please use the Lobby area for any necessary conversations.

Sign Language Interpretation | Available at the front left section of the Auditorium at the Saturday 5:00pm service and Sunday 9:00am service. Interpreters are also available for most events, workshops, etc. Contact signlanguage@flatironschurch.com

All My Life

This Weekend

April 2, 3 & 4, 2010 | "Searching for Something" | Speaker: Jim Burgen

All my life, I've been searching for some really big answers to some really big questions, like *Who am I...really? Why am I here? How much am I worth? What's the point of my life? How does God fit into my life? If I want God in my life, why do I need Jesus? Is it even important that I search for answers?* Those are great questions. Here's one more...*Would the rest of my life be different if I finally discovered the answers to the questions that I've been trying to figure out All My Life?*

Scripture

³⁵Then Jesus declared, "I am the bread of life. He who comes to me will never go hungry, and he who believes in me will never be thirsty."

John 6:35 (New International Version) Page 741

⁶Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me."

John 14:6 (New International Version) Page 749
