## Questions?

If after listening to today's service you have questions or just need to talk with someone, please come down to either side of the stage where there are people who would love to talk and pray with you.

## Do you want to meet new people?

People often ask what the best way is to get to know people here at flatirons! Stop by [flatironslist](http://flatironslist) Live or the Children's Ministry Kiosk in the Lobby TODAY for more information.

## Want to be in the know?

For age specific events or programs, please stop by the Information Center in the Lobby or visit us online at [flatironschurch.com](http://flatironschurch.com). Flatirons online is a great place to find detailed information about upcoming events, opportunities, and support along with tools to help you build a deeper relationship with Christ and with new friends.

## What you are about to experience

At flatirons we teach Biblical truths to help people find a better way to do life with Jesus Christ. Wherever you are in your spiritual journey, our desire is for you to experience the love God has for you.

**Did you come with kids?** | *If you choose to keep your infant or preschooler with you, please sit in the Baby Sky Box, near a door, or participate from the Lobby. This will allow you and those around you to enjoy today's service without distraction.* The room you have entered is designed for adults (Middle School and older). Children, 4th grade and younger, will be much more comfortable in our Children's Ministry which is designed just for them! There, your child will engage in age-appropriate teaching, games, music and more with other kids of their age. You can check your child in for a Children's Ministry classroom at any of the touch screen computers located in the Lobby. ReMix, designed specifically for 5th graders, meets at the Student Center each weekend on Saturday at 5:00pm and Sunday at 10:30am. If you have further questions, please stop by the Children's Ministry Kiosk in the Lobby today.

**Volume** | If you find the music too loud, please visit the Information Center in the Lobby for ear plugs.

**Distractions** | To allow you and those around you to be more fully engaged in today's service, please turn off or mute all cell phones, pagers and beepers. Please use the Lobby area for any necessary conversations.

**Offering** | Jesus taught that one of the ways we worship God is by giving our lives away... our time... our talent... and our treasure. Each week we receive an offering. Every dollar given here at flatirons goes directly to fund our mission to bring the awesome love of Christ to those in our community and our world. Those of us who consider flatirons our church home give with a generous and joyful heart to support this mission and the ministries of the church. Offering buckets are available at auditorium doors at the conclusion of each service.

**Communion** | For nearly 2000 years, followers of Jesus have used bread and wine/juice as symbols to remember that Jesus gave his own body and blood to pay for all of our mistakes and shortcomings. At flatirons, we frequently participate in communion together. On weekends that communion is not offered as part of our service, communion bread and wine (juice) may be found on tables at the rear of the auditorium. You are welcome to visit one of these tables anytime during today's service.

**Prayer Requests** | Prayer request cards are located at the communion tables. The fcc Prayer Team would be honored to pray for your request or you can submit a request online at [flatironschurch.com](http://flatironschurch.com).

**Sign Language Interpretation** | Available at the front left section of the Auditorium at Saturday at the 5:00pm service.
