1. When you think of baseball who is the first player you think of?
2. Who would you say is the most famous baseball player ever?

Core:

1. How many of the 6 values can you name?
2. What values have you found the most important in this series?
3. In what ways do you see values 4-6 supporting values 1-3?
4. Jim said the win for each of us personally is “to be connected with God and moving toward the person God wants you to become”. What does that mean?
5. Why are excellent environments an important value for our church?
6. Read the story of the woman at the well found in John 4. How do you see Jesus exemplifying Grace and Truth?

8. When you hear the word “evangelism” what’s the first thing you think of?
9. What do you think people who don’t go to church think church is like? What do you think people who don’t follow Jesus think about people who do?
10. Jim said it’s important for us not to be “weird” Christians. What did he mean by that? Agree or disagree?
11. What wells do we continue to run to that can’t give us harmony with God?
