

Colorado Trail– Come and See

Weekend Discussion Questions

August 22-23, 2009

Community:

1. Did you go to the Rockies game? Have a good time?
2. How many of the six values could you name and describe now that we are finished with this series?
3. Of all six values which one do you think Flatirons exemplifies the best? Which one do we need to work on the most? Why?

Core: Read John 1:36-46

1. Is there a phrase that you see repeated in this story?
2. Why is “come and see” another way we describe our value “relational evangelism”?
3. Have you ever had anyone try to “evangelize” you apart from a relationship (think people knocking on your door at dinnertime)? What is your typical reaction to this type of evangelism?
4. How does a relationship bring credibility to a message?
5. Jim said it’s not our job to know all the answers. Have you ever felt the pressure to know all the answers?
6. How does the story in John 9 about the man born blind address some of these issues?
7. What’s your story? What do you know to be true about Jesus?
8. Have you ever shared your story with someone who doesn’t follow Jesus?
9. Who do you want to meet Jesus? What’s the best opportunity for them to do that?
10. Why is it important that we do not view people as “projects”?
